Dear Mrs. Santa's Helpers,

Once again, we are asking for donations for Mrs. Santa's workshop. What is Mrs. Santa's workshop? This is a Christmas room where toys are placed on shelves and families have an opportunity to select a gift for each child in their family and place it under their tree from Santa. This could be the only gift their child receives for Christmas.

Each year individuals and businesses donate money, toys or educational gifts for our families. Sixty-three percent of our families this year are at or below the 200% poverty level. Each year can be a tough year for families getting through the holidays. We will be sending out over 160 invitations to families and approximately 425 children will receive gifts.

Your donations help provide a merry and joyful Christmas to our children and families. We have had many different responses from our families in the past years.

"Dear Mrs. Santa & helpers: I just wanted to express my sincere gratitude for the opportunity to pick out 3 toys for my 3 children. The moment I walked in I began crying and really did not stop until I returned home."

"Thank you, thank you, thank you! I am so amazed and blessed by your generosity and thoughtfulness!"

"We can't thank you enough! Without your generosity and the time taken to put together this amazing shopping experience, we would not be able to provide gifts for all 3 kids."

"Dear Mrs. Santa & Co.: Thank you so much for providing us with such amazing gifts that help with my son's development!"

"Dear Santa's Helpers: Thank you so much for the wonderful opportunity to pick out a special Christmas gift for my son. It means the world to me and my family."

"When I walk into this room, I am so filled with emotional joy. The happiness & gratitude make me want to cry. Thank you so very much!"

"What a magical place! Our son loves lights and shiny things. He smiled at the lights the whole time. What a wonderful thing to do! Thank you Mrs. Santa & all her helpers!"

"Thank you so much Mrs. Santa for the wonderful Christmas present! We are so blessed and so grateful for you!"
